02. If each Provincial Ministries of Education views that it needs to make changes in the school calendar in accordance with circumstances identical in their respective provinces, this calendar may be amended subject to the following conditions and in compliance with the Circular No. 97/15 dated 08th August 1997 of the Secretary to the Ministry of Education and Higher Education.

2.1. As per the Circular No. 97/15 dated 08th August 1997 issued by the Secretary to the Ministry of Education and Higher Education regarding the school calendar, the emphasis has been given that all schools in Sri Lanka should be held for 210 days per year. However, according to the public holidays of the year 2023 and as the school year starts on 27th March 2023, it has been impossible to hold the schools for 210 days. Consequently, for the year 2023, all government and government-approved private schools and approved pirivenas should be held for 179 days.

2.2. Since the G.C.E (A /L) Examination 2023 is to be held in October and the G.C.E (O/L) Examination is scheduled in the first half of the year 2024, the school vacations in October should be granted as scheduled in the calendar.

03. All schools will be closed during public holidays declared by the Government, Sundays and school holidays. However, if the school has to be closed on a day when the school should be held due to a special reason, the sessions in lieu of such day have to be held.

04. The Calendar of Public Holidays for the year 2023 is hereby sent to you (Annex-I) and the calendar of the school activities will be published on the website of the Ministry of Education (www.moe.gov.lk).
